

Kovalenko, Nataliya

***Nataliya Kovalenko** is Assistant Professor in Science Communication since 22 May 2014*

Invalid 2014-05-22
assisterande professor i vetenskapskommunikation
Assistant Professor in Science Communication

I'm astronomer working at Astronomical Observatory of Kyiv National University and a lecturer at

Kyiv Planetarium, graduated from Astronomy and space physics department of physics faculty, Kyiv National University, Ukraine. I also completed a master's program on science communication from Dalarna University, Sweden. My Ph.D. Thesis was about the Solar System minor bodies dynamics. I continue to work on this topic now as a junior scientific researcher at our observatory.

Professional address:

Dr. Nataliya Kovalenko

Observatorna str. 3,

Kyiv 04053 UKRAINE

Astronomical Observatory of Kyiv National Tarasse Schevchenko University
